

Mixed Bag 1

The Mixed Bag 1 pack contains an assortment of different sounds that are just begging for the use of FX :)

They are cut to short lengths, some though are slightly longer – like the pouring or pitch bending.

To get a really good idea of what is in this pack, check out these mp3s of some of the samples in the Mixed Bag 1.

A few of electric guitar samples, Spring,
Wobble,
High

Various household items such as an electric mixer, pouring,
creaking,
banging

A small motor
moving

Even a close
miced bog flush :)

And a few short blasts on a tin whistle

In all there are 40 samples – 24 bit 44.1 kHz – some are stereo and some mono
